The spectacular 18 hole, par 72 championship golf course was designed by golfing legend, Gary Player. Ranked as The Best Golf Course in the world outside of Europe by "International Golf Journal Readers" for several years. It has also been recognized, by CNN Travel, as one of the top 10 golf courses in Africa.

Offering exclusive diving and personalized services for both beginners training and advanced courses. Providing direct access to the largest house reef, in the Red Sea, accessible through its 420 m long jetty. Recognized as the "Number one House reef" by Tauchen magazine.

Rated among the top 3 kitesurfing spots worldwide due to its unique location and flat water conditions making it ideal for kitesurfing as it's blessed with 300 days of wind and stunning panoramic undisturbed views.

Recognized as the best in Egypt and one of the largest in the region. Facilities span over an area of 7,500 m², with 65 treatment rooms, offering everything from traditional massages and beauty treatments to the latest technology for aesthetic treatments and hydrotherapy.
